# *AI Advertisement Challenge*

1. The event has 2 rounds: Common Challenge and Digital Scratch Challenge.
2. Round 1: All teams receive the same scenario and get 25 minutes to create an advertisement.
3. The advertisement must be maximum 30 seconds long.
4. The Top 10 teams will qualify for Round 2 based on the judges' evaluation.
5. Round 2: Each team will receive a unique scenario through a digital scratch card.
6. Once assigned, the scenario cannot be changed or exchanged. A scenario will be assigned to only one team and all assignments will be centrally recorded.
7. Teams get 20 minutes to create their Round 2 advertisement, which must also be maximum 30 seconds.
8. After submission, each team must present its advertisement to the judges.
9. Participants may use AI tools for scripting, image/video generation, editing, voice-over, music, and other creative work.
10. Teams are responsible for ensuring their AI tools are working and accessible during the event.
11. All major creative content must be created during the respective round. Pre-made or substantially pre-produced advertisements are not allowed.
12. The final advertisement must be saved and submitted within the given time.
13. The advertisement must clearly match the assigned scenario and be suitable for presentation.
14. Offensive, discriminatory, defamatory, plagiarized, or inappropriate content will lead to disqualification.
15. The Top 3 teams after Round 2 will be declared winners based on the judges' evaluation.
16. Judges' decision will be final and binding.
