-RULES-

Team Format: 1-2 students per team using 1 shared computer.

Round 1 — Logic Puzzle Race:

- Duration: 30 minutes.
- All teams receive an identical set of written logical and analytical puzzles.
- Challenges may include sequences, patterns, number/letter series, grids, matchsticks, and logical reasoning.
- Teams are ranked by the number of correctly solved puzzles.
- In case of a tie, the team with the earlier submission timestamp ranks higher.
- Mobile phones, calculators, and external aids are prohibited.
- All answers must be submitted within the 30-minute limit.

Round 2 — AI Escape Quest Finals:

- Duration: 45 minutes.
- An interactive web-based AI detective mystery with multiple progressive levels.
- Clues from earlier levels may be required for later challenges and the Final Boss Challenge.
- Each team can use a maximum of 3 hints throughout the round.
- Final ranking is based on:
 - Highest number of levels completed
 - Least completion time
 - Fewest hints used
 - Overall investigation performance
- External AI tools, search engines, and assistance from non-team members are prohibited.
- All answers must be submitted within the 45-minute limit.

Fair Play & Disqualification:

- Teams must complete all challenges independently.
- Source-code inspection, website tampering, vulnerability exploitation, unauthorized access, or challenge-system manipulation will result in immediate disqualification.
- Any attempt to gain an unfair advantage may result in immediate disqualification.
- No changes will be accepted after the timer expires.
