EVENT RULES

1. The event consists of 2 rounds, with 2 levels in each round.
2. Round 1 – Level 1: One participant from each team will compete in the Memory Sequence challenge.
3. Participants must recall and click the displayed algorithm names in the exact order. Any wrong click or incorrect sequence will result in Game Over.
4. Round 1 – Level 2: The other team member will participate in the AI Hallucination challenge.
5. Participants must identify the factually incorrect (AI-hallucinated) sentence from each paragraph and submit it accurately.
6. The AI Hallucination challenge consists of 10 questions with a 10-minute time limit. Both accuracy and completion time will be considered.
7. The combined performance of both Round 1 levels will determine the Top 10 teams advancing to Round 2.
8. Round 2 – Level 1: Both participants must memorize a colour-cup pyramid displayed for 45 seconds and recreate it exactly within a maximum time limit of 15 minutes, without viewing the original again. Completion time will be considered for ranking, so participants who complete the pyramid correctly in a shorter time will receive a better ranking and will be selected.
9. The recreated pyramid must match the original in colour sequence and arrangement. Incorrect arrangements will not be considered correct.
10. Ranking in the Colour Pyramid Recall will be based on accuracy and completion time.
11. Round 2 – Level 2: Both participants will participate separately in the Connect & Continue challenge, with no communication between them.
12. Exact Round 2 - Level 2 challenge details and instructions will be revealed at the respective event location.
13. The final ranking will be based on the combined performance across both Round 2 levels.
14. Tie-breakers may be conducted using a new or more challenging sequence/pattern if teams have identical scores or qualifying performances.
15. No external assistance, communication, or unauthorized sources are permitted during any challenge.
16. The event coordinator's decision will be final and binding in matters of scoring, qualification, tie-breakers, and disputes.
